COVID-19 Good “WILL” Drive

Friends,

We would like to thank all of the healthcare heroes who have been working endlessly each day to get us through these uncertain times and putting themselves at risk while assisting others. Thank you for your selfless acts of kindness and treating those in need! We pray for your safety and extend our well wishes to you and your families.

If you are or someone you know is a Nurse, Doctor, NP, PA, or EMS worker in New York treating Covid-19 patients, who wishes to have a simple Last Will and Testament, Health Care Proxy or Power of Attorney prepared, please contact us. We will assist our healthcare heroes at no cost during the pending crisis.

All services will be provided remotely via tele, email and video apps.

Our services will be free of charge during this crisis as our way of saying “Thank You” to those on the front lines working day and night to save lives & to protect all of us.
